

Note From the President 2-16-26

Hello Gentlemen,

Big shout out to everyone that participated in the Member / Guest and to all the winners. It is always a great event. A special shout out to Curtis Hill's guest, his daughter for getting it done on hole 3 with the closest to the pin. From what I heard it was a great shot. (6' 1") very impressive.

We have made a game change next week. We will be playing the Stableford. See attached info. We made the change so we could have match play / skins for 2 weeks in a row. Feb 28th and March 7th. The match play details are still being worked out. Match play is a new event and was overwhelmingly endorsed at the Member/Member when it was brought up. We will play it at the same time as skins. If you don't want to play match play you can still play skins. Again, more details to follow. Also, an overdue congrats to Steve Bushong for winning golfer of the month in January. Ata boy Steve!

Enough said Randy
