

## **Note from the Pres. 9/3/25**

Hello Gentlemen,

Chuck Adams toyed with the competition and won the August Big Rock payout from his recliner at home. Unable to play last week Chuck could only wait at home for the email with the final August standings. Instead, Chuck got a facetime call from the group congratulating him on his win. He looked happy and shocked that he had maintained his lead. He might have been shocked at 12 or so sweaty men all trying to talk at the same time. It was good fun. Lots of pretty good golf again last Saturday. Net 69's from Brian Frye, Steve Canino and Gary Mathiason. Tom Rom checked in with a net 70 to continue his push to catch Butch for the overall lead. 4 players are within 50 points of the overall lead. September should be fun.

Brian F., Benny R., Bob Starbody and Dave V. won closest to the pins.

We had 1 skin won by Dave Williams net 3 on hole 4. \$230  
4 players had gross 70's or better Steve Canino, Ben Ramirez, Tom Rom and ( Brian Frye with a Gross 68) The \$20 drawing was won by Brian F.

**Tom Rom** had the only chip in for \$75
