

Notes from the President 5/28/25

Hello Gentlemen,

It was a great Memorial Day. Susan Courtney was a fabulous host. There was wonderful food and a lot of lively banter. Trevor and Chris decided to show off their sharp shooting skills by taking 2 closest to the pins each. Well um, who didn't think that this wasn't going to happen. Tom and Brian take 1st place, nicely done. Shoot a 59 to take bragging rights for a year.

Next week is the last week of the fall/winter/spring season. We are ending it with a 4 man scramble. Sign up as a single and again the teams will be balanced by Corey A,B,C,D players. Please note each player will be required to use 3 drives. There is plenty of space, but sign up as soon as you can.

Quote of the weekend from an unidentified player." You never see anything good when you look up"
