Dear Mr. Robbins:

Thank you so much for your recent letter concerning the recent honoring of John Cook by naming the John Cook Arena at the Devaney Center. This is of course a very well-deserved and much appreciated honor for Coach Cook.

In regard to the rest of your letter, I have forwarded to our Athletic Director, Mr. Troy Dannen, and look forward to discussing the matter with him at the time of our next meeting.

I appreciate your providing this information and hope that he will respond accordingly.

Best wishes,

Jeffrey P. Gold, M.D.
President
