NOTES

1. Counties reflect the historic registration counties as per the Scottish Land Register and Register of Sasines.
2. Many valid Baronies owned before 28 November 2004 are yet to be registered in the SBR, and their omission from this list in no way impugns these dignities.
3. This list is regularly updated, and is correct as at 27 December 2025.
4. The spellings of the Baronies reflect the spelling used in the registered assignation, but often many spellings were used over the centuries.
5. Barons and Baronesses who wish their names to be disclosed in or removed from the Official Register should contact the Custodian of the SBR directly or through their solicitor.
