

# Glossopdale COMMUNITY CHAMPIONS

## Environmental Impact Champion

### Purpose

Awarded to an individual who has made a strong contribution to protecting or improving the environment. This could include conservation projects, litter picks, sustainability initiatives, awareness campaigns, or inspiring others to take action for a greener future.

**Eligibility Guidance** - This can be someone who does this on a voluntary basis. This can also include someone who works for a business, provided the impact is mostly outside their paid role / goes above and beyond their job duties

### Nomination Criteria

Nominees should demonstrate:

- Practical action to protect and enhance the environment
- Ability to inspire behaviour change in others
- Evidence of commitment and leadership
- Positive and measurable impact (local improvements, reduced waste, greener spaces)
