

THE ULTIMATE METHODOLOGY — EXCELLENT PEOPLE

People skills enhance technical skills & stop profits/careers falling through the cracks in activity

These are not purely intellectual courses about learning "stuff", then shelving and forgetting it! Embedment is key!

COMPETITION WINNERS – Undertake the BASIC course with some BONUSes from higher levels FREE!

CONDITION: When completed, competition winners agree to provide written/video reference (*with photos*) for promotional usage. No suggestions given or implied in this course constitutes legal or financial advice, which must be sought separately.

THIS COURSE IS FOR YOU IF: ✱ *You* want to do things better, but need advice ✱ *You* want to do different things, but don't know where to start ✱ *You* receive lots of conflicting advice, and want to sort out what's best for you ✱ *You* want to buy or start-up your own business and need to determine how best to do it ✱ *You* want to define true **SUCCESS** for you ✱ *You* want to lead a fuller life ✱ *You* want to avoid later-life crises of regret for not having tried "new things" ✱ *You* want to avoid a depressive belief that your life has been "worthless to date" ✱ *You* want to make a difference!

NOTES:

- Alternative payment plans are negotiable on an individual basis for proven determined students.
- For Basic/Intermediate levels meetings will be arranged on student request. They are recorded with copy to student.
- Assessment will be more complex as a person works through later trimester material - but, we'll guide you.
- Streaming will occur in Trimesters 2 & 3. Details of this will be shown in the Statement of Attainment and this may prove to be useful in future/current employment situations. A fuller reference will be provided at Trimester 3 end.
- Email queries are tied to Q&A sessions where something has not been properly understood. Zoom sessions will be "on request" and will be mandatory for Trimester 3 participants throughout their course.
- If you are undertaking post-school courses, diplomas, degrees, post-graduate studies, we will **NOT** do the research, writing or other work for you that **YOU** need to do personally. However, we will help to guide you **ONLY**.
