

2026 COMMUNITY DEVELOPMENT CONSOLIDATED 5-YEAR PLAN TOWN OF ELBRIDGE

First Year: Replace crumbling sidewalk that runs along the Town of Elbridge Senior Center/Community Center as they are cracking and chipping away making it hazardous for the elderly and handicapped. All improvements will benefit the elderly and the handicapped that utilize the senior center. Total grant funds requested from Community Development, \$50,000.

Second Year: Renovate, rehabilitate, and add additional community space at the Town of Elbridge Senior Center/Community Center. Construct a new basketball court, increase the playground to include ADA compliant playground equipment, expand facilities for picnicking, walking, and other recreational activities. All improvements will benefit the elderly and the handicapped that live in and utilize the area. Total grant funds requested from Community Development, \$50,000.

Third Year: Renovation and rehabilitation of outdated storage space at the Town of Elbridge Senior Center/Community Center to create an ADA compliant outdoor accessible bathroom facility to allow for the elderly and handicapped an easily accessible bathroom while utilizing the outdoor space. The renovation would include providing for a single ADA compliant bathroom facility removal of the outdated bathroom facilities, and construction of an ADA compliant men and women's bathroom. The bathroom would include one (1) toilet & one (1) sink. New ADA compliant fixtures and easy to maintain floors and walls will be added. Walls will be paneled to prevent vandalism. A key fab system would be added to allow programmed unlocking and locking of they facility each morning and night. ADA compliant door. The exterior will be clean and repainted. All walkways will be ADA accessible. New LED light fixtures will be installed. Exterior drinking fountains will be added. Total grant funds requested from Community Development, \$50,000.

Fourth Year: Repair, redesign, and repave the parking lot at the Town of Elbridge Senior Center/Community Center to make it more accessible to the elderly and handicapped. Remove potholes and cracking that has formed over time. Provide clear ADA compliant signage and parking spaces. Total grant funds requested from Community Development, \$50,000.

Fifth Year: Install lighted beach volleyball courts at the Jordan Memorial Pool complex to provide additional community activities. This will provide expansion and more alternatives to the community pool complex. Total grant funds requested from Community Development, \$50,000.
