Your LOCAL GUIDE will meet you at your hotel for a full day of touring. You will travel historic ROUTE 6A, the Old King's Highway, a scenic byway winding through centuries of Cape Cod history. It winds past hundreds of historic structures which characterize its early development. View a Windmill, a Cape Cod Lighthouse and visit the CAPE COD NATIONAL SEASHORE VISITOR'S CENTER. Sand dunes and the ocean surround you as you approach "Land's End" – PROVINCETOWN. You are now at the extreme tip of Cape Cod. Formerly known as the "Province Lands" the pilgrims landed here first before they decided to settle across the Bay in Plymouth. Take some time to enjoy the wonderful variety of restaurants, shops, and galleries that make this artists/fishermen village so unique.

Board an excursion vessel for an amazing experience of WHALE WATCHING (3 hours). You will travel into the natural habitat of a diverse marine environment including birds that migrate here from all over the Atlantic, and fish which use these shallow waters to feed. Try to spot Humpback, Minke, and Fin Whales going about their daily business. An onboard naturalist will introduce you to everything you see and will answer any of your questions about the whales, birds, fish and lighthouses.

OR YOU MAY CHOOSE TO STAY ON DRY LAND:

Admission is included on a one-hour DUNE TOUR. Ride along the shoreline of the protected lands of the Cape Cod National Seashore. Your guide will point out the "dune shacks" where famous artists and writers became inspired to create their art.
