Finance Options

Open Bar: Rate per guest that covers all alcohol consumed during the contracted event period. Great package for events that expect strong consumption by guests.

Consumption Bar: Provide us with a budget for the bar portion; when we hit this dollar amount, we can either extend or switch to a cash bar. Good for lighter alcohol consumption. Please be aware that, based on the event, we will have a beverage minimum.

Cash Bar: We will collect payment from your guests for the beverages; we accept cash, credit card or Venmo. Please be aware that beverage minimum applies for cash bars. If total beverage spend doesn't exceed the minimum, the client is responsible for the difference.

Why can't we provide our own alcohol?

Per Vermont Liquor laws, all alcohol must be provided by the bar vendor with Vermont licenses. In Vermont, all public events must have a vendor with Vermont liquor license & permit for each event. We will travel up to 120 miles or a 2-hour drive from our home base in Wilmington. Events further away are more time on the road for our associates & safety is our top priority.

Is there a bar minimum, & what does it mean?

Yes, our packages require a bar minimum of \$3,000 from 5/24 to 9/1 & \$4,000 from 9/1-10/31. Most events exceed this minimum! (The bar minimum excludes rental fee, gratuity & applicable sales tax).

What are the added taxes/fees?

We have two added-on taxes/fees for all events. First is State tax, taxes in Vermont on alcohol is 10%. We also charge a 20% gratuity. The gratuity on any alcohol or beverage services goes to the event staff. The remaining gratuity goes to our prep & unpacking crews.
