

We use an honor system at the club. So no one has to be there when you buy a product. For example we have t-shirts and we have scorebooks. If you want to buy one, just put cash into the manila envelope for food and drinks that is in the kitchen or use one of the following methods.

- **Venmo** – indicate the purchase on your transaction and use @gcchess.
- **Credit Card** – we can take a credit card (Visa/Mastercard) as payment. As of this writing only Bob Scaccia has this capability.
