QUESTION THE WORLD YOU LIVE IN : OUT OF THE BOX QUESTIONS FOR SPIRITUAL REBELS

This book is for you if you are a truth seeker, a spiritual rebel and you believe you can change your vision about yourself and the world you live in. This book is not about having the Good Answers, it is about getting the Right Questions.

This book is for you if :

- You feel stagnant but want to learn something new and different.
- You find it difficult to maintain a daily spiritual practice and stay motivated.
- You are thirsty to learn, time flies but you feel like you are missing out ...
- You have an ultra-limited budget that does not allow you to take expensive training and courses and \$\$\$\$\$.
- You have Ultra - Super - Important - responsibilities that do not allow you to travel to the ends of the world to meet mystics and shamans...
- Meditation is not your thing, but you want - during the day - to have a few minutes with yourself IN PEACE.
- You love writing but suffer from the White Page trauma and you want INSPIRATION!
- Introspection does not scare you, indeed, you delve deep into it!

This book allows you exactly to :

- Go beyond the Beginner level to become a True Mystic who dives into the unknown and is not afraid of asking the real questions.
- Learn something new and different every day or to deepen a concept which helps you in your practical life and nourishes your soul at the same time.
- Through a variety of creative and unique daily explorations, to cultivate a regular spiritual practice and to stay motivated to explore the following topic.

Get ready for a journey that will make you question your beliefs and see the world through new glasses. You might be curious and ready to get answers from Mr. Google or many authors and teachers ! But what about getting the answers from the depth of your being ?

Whether you have 5 minutes or want to take an hour a day to dive deeper into this book, it's up to you. The principles are simple: KEEP YOUR MIND OPEN + Have an expansive spiritual practice while having fun.

Ouassima Issrae

Issrae Ouassima Touahria is an author, founder of CoreMagik and of OuassiMagik, a modern spiritual academy. She offers in-depth books, healing sessions and courses to help people who doubt themselves, are confused about spirituality and how to live it in physical reality, and those who feel misaligned and vulnerable in the world today which pushes them to put their dreams aside and to "close themselves" to magic and nature.

“Wisdom of the Mystic Rose: A vibrational and spiritual encounter with Roses at the Temple of Roses”

“Of all the flowers, methinks a rose is best.” - William Shakespeare

There are over three hundred species of Roses and quadruple that many hybrids and cultivars. Roses are native to Asia, but several species have also originated from Europe, North America and Africa. This widespread proliferation may have contributed to the Rose’s rich cultural history, making it one of the most recognized symbols throughout time. It is because the Rose is considered majestic that it is called Rose instead of rose, with capital R, as a form of recognition.

In the book “**Wisdom of the Mystic Rose**”, the Priestess of the Temple of Roses Ouassima Issrae explores the majesty and mystery of the Rose. In this poetic book, she invites you to approach the Rose differently, not only by recognizing its physical attributes, but also by realizing its spiritual benefits.

With a gentle and welcoming voice, Ouassima Issrae uses researched facts and personal anecdotes to introduce you to the Temple of Roses. She reveals the steps to becoming an initiate, the proper way to enter a Temple, and the teachings of the Temple. She also discusses the correlation between the Rose and other mystical practices such as color theory, numerology, and divination.

Filled with incisive yet compassionate questions, this book guides you through the stages of introspection in order to commune with the Rose and receive its many blessings and benefits.

I DON'T CARE ORACLE DECKS - A FRESH PERSPECTIVES POWER UP PROJECT

We welcome all **REBELS, MARGINALS, OUTSIDERS**, and even **NORMAL** folks to enter the world of “I DON’T CARE”—the pack designed to help us smile, find the fun in life... and even speak our real and honest truth! This pack will remind us that it’s okay not to care so much about everything, **that it can be very healthy for us to say, “I DON’T CARE!”** and turn our focus in a direction that will lighten our load!

Steph Wilder, the creator of the I DON’T CARE Oracle deck, along with Ouassima Issrae, the artist and many amazing people who participated in manifesting it, is delighted to offer you this tool to help you to reduce your stress, reclaim some lightheartedness, and find enjoyment in the NOW.

- “I DON’T CARE how you are going to use this deck, as long as you do it with love and respect for yourself!
- I DON’T CARE if you use it to know what to do in any situation whatsoever!
- I DON’T CARE if you just use it to relax and smile when you see a card!
- I DON’T CARE if you use this deck in tarot spreads to have more insights!
- I DON’T CARE if you use it because you had a good or bad day and you would like to know what to do now!

The truth is that at some point, you just have to let go!

And this is what this pack is made for!

Stop taking everything so seriously! Relax and return to the present moment because this moment is all there is.

Life is short so ENJOY IT! Have a good time with the I DON’T CARE Oracle deck. Take care of yourself. Love, laugh, live!

Thriving in the new vibration - a family of self help books on how to succeed in the current crazy world and your guide to a new way of being

Published by CoreMagiK LLC, a creative spiritual publishing house

Thriving in the current world means understanding how reality really works, asking out of the box questions and taking control of your own life. We are evolving to a new way of living which is more supportive and inclusive. Thriving in the new vibration volume 1 and 2 is a complete guide and healing methodology to support your evolution process and is essential at this pivotal time. Getting motivated is a challenge and the supporting workbook provides you with a way to jump start the process by providing a simple structure and guide to get you started on your spiritual evolution. As you proceed along this path there are many negative things that will slow this progress and the Psychic Self Defense kit is there to support you and provides the information and skills to overcome these obstacles to your growth.

These books are for you if you are a truth seeker and a spiritual rebel. These books will help you achieve the vision you have of yourself and the type of world you want to live in. These books will challenge you to ask the right questions and to understand your place in the evolution of the world. Using the workbook, you will learn something new every day to nourish your soul and your body as you gain confidence in your own abilities.

Courses to go further

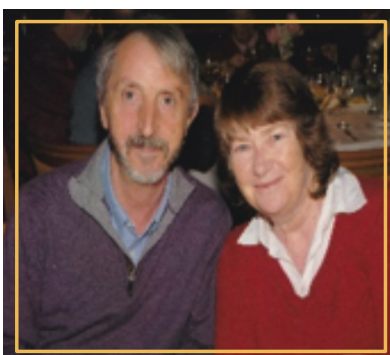

In this course, we share our best practices, experience and knowledge about psychic protection. We teach students practices in order to protect themselves, their houses and their family. We also offer strategies to regain power and reconnect with the strength and the God and Goddess within oneself.

We help students to : recognize a psychic attack, to refine their senses and abilities to recognize a psychic attack and by using the tools we provide, to learn to clean up the energy system and free themselves from negative attacks and influences, to practice and protect themselves against psychic attacks and how to get help from different allies that want to help them, and finally to learn simple yet effective tools to clear your house as it reflects the energy of your own body.
