

Pleasant Prairie Woman's Club

September 2017

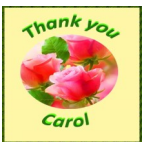

Hello Ladies,

Welcome back to another engaging and fun filled year with the PPWC! Your Board has been busy meeting over the summer planning an exciting Club year. Our theme for September's meeting is "Celebrating Our PPWC Members". We will be recognizing members with milestones in Club membership. Our dinner / meeting will start promptly at 6:30 PM. Please bring your favorite dish to pass for our annual "Welcome Back" potluck dinner. The Board will be providing beverages and dessert. If you would like a personal invite sent to a potential new member, please contact Vickie so she can send out a personal invite within the next few days.

Thank you to Carol Thiele for once again being the "Hostess with the Mostess"! Our August picnic was held at Carol's beautiful home on August 10th and a fun time was had by all.

The Pink-tober auction committee has been busy getting things ready for the October Auction being held on Wednesday, October 18th at St. Therese Church Hall, 2020 93rd Street. Members are encouraged to bring any donation items you may have to the September meeting and give them to Vickie. Also, early drop off regarding donation items / baskets will take place on Monday, October 16th between the hours of 2:00 and 6:00 PM at St. Therese. Ladies, please continue to solicit donations and work on your creative and amazing baskets.

We are thrilled to announce the launch of our very own Pleasant Prairie Woman's Club website. Vickie has been working to create our new web presence and this new platform will allow our Club to share the latest news, updates, and upcoming events with our members. The website address is: <https://www.ppwc64.org/> Feel free to browse the new site, and we would also love for you to share any suggestions you may have for additional information you would like to see on the site. Vickie will be hosting an overview and navigation of the website at our meeting. Please be sure to take a look at the website. I am extremely impressed with how well Vickie has designed the site and how user friendly it is and I'm sure you will be too.

The Club also has a new Facebook page and here is the link: <https://www.facebook.com/PPWC64/>

Pleasant Prairie Woman's Club September 2017

In the August 1935 edition of the GFWC Clubwoman Magazine, Past International President Roberta Campbell Lawson, introduced the clubwomen to their home. Mrs. Lawson discussed the function of Headquarters. She outlined Headquarters as a place for research and club services, lectures, and for borrowing from the library, among other uses. Included in Mrs. Lawson's description of services were pictures of the interior. Like the interior itself, much of what Mrs. Lawson described in her outline of club services remains the same. Headquarters is your home, here to assist you. But there have been some changes since 1935, in both décor and use! Can you pick out the differences between 1935 and today?
