

GFWC Pleasant Prairie Woman's Club September 2024 Newsletter

Welcome to the start of the PPWC 2024-2025 year!

I want to thank everyone again for the great job celebrating our 60th Anniversary as well as the installation of our new board. We did have articles in the *Kenosha News*, *Prairie Neighbors*, and in the *GFWC WI Club Woman*.

We would like to thank Lucille for opening her home to us for the August picnic! Her backyard has such a beautiful view of Lake Michigan. There was a variety of food to choose from and all the members enjoyed visiting and catching up.

We had a very successful Garage Sale **August 16th and 17th**. Thank you to Colleen and her husband for offering their home again. We had tons to choose from! Thank you to all the members who donated and worked at the event. It was a lot of work setting up, taking down and delivering the unsold items especially given the rainy weather.

September 12th will be our first meeting back; it will be at the Pleasant Prairie Historical Museum. Social time is from 6:00pm – 6:30pm, then the meeting will begin. Sue S. and her committee will be hosting the meeting and program. Highway clean-up will be in September again. We will hear from Cheri at our meeting as to which Saturday that will be.

The Pleasant Prairie Fire Station #1 (next to the Village Hall) will have their Fire Safety Day on **September 14th** from 10:00am – 2:00pm. I spoke to Chief Roepke and told him we would be happy to help serve food to the visitors again this year. They will set up a table inside so that we can pass out club literature. There was a sign-up sheet passed around during the picnic; however, since we will be in two locations, we will need more help. Thank you in advance for signing up!

Our PINK-tober Auction, which is Wednesday, **October 16th**, is fast approaching so please start thinking about your donations. The drop off this year will be at my home, 9670 42nd Court, Pleasant Prairie starting September 26th from 1:00pm to 5:00pm.

This is kind of a lengthy Newsletter! When we return to club after the summer, we hit the ground running. Hope to see everyone at the September meeting!

Your Club President, Nancy
