

Happy Fall

Thank you Kathy and committee for a wonderful program! Keeping us healthy and our medications in order was very informative. Yummy desserts were enjoyed by all.

More thanks to Connie - Char C - Donna F - Sue S - Michelle - Sue L who spent their day at the village Annual Safety Day in the Prairie . It was great to have our club represented.

Another thank you to Cheri for arranging another successful highway cleanup . Thanks to everyone who helped and we are looking forward to hearing about the treasures that were found!

Our auction is upon us - hope everyone is able to help our club have a successful evening. Please call with any questions you have.

Our October 13th meeting is our new member drive - Nancy will be sending out invites, please call her with a name and address of friend you would like to invite.

Our club has a busy October coming up but the reward of helping our community is awesome.

Sue
PPWC President

Please silence your cell phone or place on vibrate. Take all calls outside.

Please turn off, or set to vibrate, your phones until the meeting is over. We need everyone's best attention and thinking so we can utilize this time most effectively.

How well do you know your fellow club women? Do you remember who, while attending morning mass at parochial school became the day's art class drawing lesson when a bird flew into the church and landed on her head? How about the member who learned to downhill ski in Germany, struck her best ski bunny pose then proceeded to fall down in front of her instructor? Or who played Magenta from Rocky Horror Picture Show at the Oriental Theater when she was a teenager?

Let's have some fun and learn about other members, our President Elect Nancy Deeter would like to play "One Fun Fact" at our October meeting (also known as our membership meeting). Think of an interesting fact about yourself that nobody knows and submit it to Nancy at nancy.deeter@gmail.com. Throughout the meeting she will read One Fun Fact and the members will have to guess who that fun fact is about. Guess correctly and you could win a prize.

Thank you to all the ladies that met up to clean our adopted highway. Can't wait to hear the stories and adventures of our cleanup crew!

Safety Day in the Prairie

There's a new Juniorette club in town. On Monday, September 26 President Sue Lawler and Vickie Richardson were invited to be guests at the installation of Kenosha Lakeside Juniorette's who were sponsored by the Kenosha Juniors Woman's Club.

The New Juniorettes are all middle school students (between 12-14 years old). They possess the same core values as the adult clubs but these amazing young ladies have school, extracurricular activities, and social lives to juggle, but they find time to make positive changes in their communities.

Another quick and easy fundraiser we participate in is VigeoXchange. VigeoXchange is a convenient, year-round fundraiser that turns the purchases you make at participating local businesses into meaningful support for PPWC while earning cash back for yourself. To get started, Click the following link and fill out the getting started form.
