

Have A Really Good Day!

You know it's going to be a really good day when you realize you'll never be redirected to voice mail when you call on the Lord.

YOU MATTER TO ME!

"Every time I think of you, I give thanks to my God." Philippians 1:3 NLT

I was thinking about you and wanted to wish you a really good day by sharing this positive affirmation on the other side of this card. It is my prayer for you that you will experience a Really Good Day.

"The Lord is close to all who call on him, yes, to all who call on him in truth."

Psalm 145:18 NLT
