

“MORE”

My Focus Word for 2024

“In 2024 I want MORE of the GREAT things and LESS of the GOOD things”

What I Want MORE of . . . :

- Intentional, meaningful, and growing RELATIONSHIPS

The older I become, the MORE I’m beginning to realize how important it’s become for me to fully value every relationship that matters to me. Each one is a special gift from God. I do not want to live in regret for not spending quality time with the people I love dearly.

- Improved TIME MANAGEMENT which includes Prayer, Production, and times for Play

Working for myself does have its advantages. I work and play when I want. But in reality I’m working for the Lord and realize that I’ve made a commitment to Him to finish the work He has given me to do. I know I live in grace, but I do feel the inner drive to stay on schedule. But I also know that my prayer life needs much MORE focus as does my scheduled times to take a break from work and play.

- Financial Margin in my PERSONAL and PROFESSIONAL accounts
- Effective Social Media MARKETING to add NEW COACHING CLIENTS, DONORS, AND BOOK CUSTOMERS
- Opportunities to TEACH and PREACH in local churches and conferences
- Quality time to CREATE ORIGINAL CONTENT in BOOKS and COURSES

I am grateful that the stroke did not have a negative effect on my ability to be creative and produce new books and courses. The majority of my “work time” is devoted to writing every day, something. On my desktop are at least four or five active book and course files so I am going to have a busy year.
