WE CONVERT IDEAS
INTO REALITY.....

INTRODUCTION

With a mission to provide quality garments with exceptional service.. Our ability to adapt to change by providing great flexible services.

Over the past few years we have grown to be a major supplier for several companies in the UAE.

We have achieved this by providing the broadest range of products, the best quality garments, and on time delivery. Our ability to accomodate any size from the very petit to the very large, assures that we have sizes to fit all.

In Addition to the best - rate customer service satisfactions, we offers an easy and efficient experience for you and your employees.

01

YOU DEMAND WE CREATE...

We are fast fashion brand that is data driven & make designs as per what our customers demand.

We focus on the future, work on expansion and strive to be the best for you.

Using in-house designers, our team can produce bespoke designs or improve existing designs to bring them in line with existing market trends.

Our designs incorporate functional and eco-friendly fabrics to adapt to the climatic conditions prevalent in the respective country.

HOW WE WORK

At Leeray, we make it easy to design your own customized uniforms online using our design tools.

Whether you are looking to create unique hoodies, jackets, vests or polo shirts for your business, sports uniform for your team, printed shirts or school jerseys or cotton shirts, customized jacket and pants for your companies.

WE HAVE GOT YOU COVERED

Our services are as under :

■ Designing

Our designs incorporate functional and eco friendly fabrics to adapt to the climatic conditions prevalent in the respective countries.

■ Manufacturing

Leeray sources all its products through its buying resources located in various countries.

■ Distribution System

Leeray offers its customers a wide range of distribution options depending on their own location and preferences.
