Dear Friends of the Center,

November, 2024

The mission of the Perkins County Senior Center is to offer a gathering place to Perkins County Citizens for a nutritious noon meal along with fellowship, entertainment, insurance information, health and senior information. It is our hope each person will leave the center happier, healthier and educated each day. The Center has served the citizens of Perkins County for over 40 years.

The center has been able to achieve many goals due to the generous donations received from community members, including: a fully operating kitchen, which has allowed us to expand, adding a successful once a week meal site in Venango. With funding from various Foundations and support for the community, we were able to complete a renovation on the building. This included new flooring, interior paint and new tables and chairs. The changes make for a more comfortable building to be used by the seniors and community members.

We continue holding large meal fundraisers which have been extremely successful. We also are able to offer classes for seniors, such as Stepping On a Falls Prevention course and beginning in 2025, we will be offering Bingocize another great falls prevention workshop. No matter what the future holds, we do know that we will strive to make sure our Senior population continues receiving healthy meals, education and social interaction, no matter how that may look.

Our Income this last fiscal year is from the following sources:

1. 30% - Program Income (meal donations and state subsidy)
2. 28% - Thrift Shoppe Sales
3. 3% - Rental Income
4. 39% - Donations, Friends of the Center Campaign, Fund Raisers and Grants (large grants for remodel)

*You can become a " **FRIEND OF THE CENTER**" by contributing a financial gift. The Perkins County Senior Center is a **non-profit organization, and your gift is tax deductible.** Contributors will receive the following for their donation:*
