

# The Montessori Nursery School Fees 2022 / 2023

The Montessori Practice is based on consistency; therefore, for 3-4 year old joiners, we request children to attend a minimum of 2 mornings or afternoons (or more) which enables them to take advantage of the Montessori Philosophy, ethos and practice.

2 year-olds joiners will be offered 2 mornings a week and not afternoons, as we have more members of staff to settle them in and for us to spend quality time with them.

## Funding

Children of 3-4 years of age are entitled to 15 hours of 'government funding'. This entitlement commences the term after the child's 3<sup>rd</sup> birthday.

Children who are 2 years of age may also be eligible for funding – please see the link below for details.

For 30 hours funding, parents can apply for a code if both parents are working and earning no more than £100K per annum. For more information please visit <http://www.childcarechoices.gov.uk>

The Montessori Nursery School Ltd offer two schemes:

1. Access to "free entitlement" which means 15 hours funding is offered for **4 afternoons and 1 morning:**
  - a. **Afternoon sessions must be claimed first before a free morning session is offered**
  - b. All extra mornings will be charged in full
2. For children who qualify for 15 or 30 hours funding, we will charge extra mornings **LESS FUNDING**

Flexible hours. more sessions may be requested and subject to availability, will be charged at £9.00p/h

Please note that government funding may change by a small amount each term according to the number of weeks in each term.

**The school fees, hours, and days of operating are reviewed every year in June and will be implemented in the following September.**
