President's Report

Thanked all the volunteers. There are contracts for the trials for the rest of the year.

Corresponding Secretary's Report

One of our members found out 2 weeks before the trial that even though we had a signed contract, we couldn't hold the trial at the middle school. Sara got the pumpkin patch for Friday and the school district told us we could use the high school on Saturday. The janitor did not show up to open the high school this morning. Luckily Sara had the old middle school janitor's cell phone number and lucky he had keys and opened the high school for us.
