Mike-Warehouses starting to close down. Douglas County (Mark Whelan) has some disposal gowns, masks and face shields avail to anyone in need. (KENA) has hospital sanitizer available to anyone who needs. Additional masks and sanitizers available from SEMA as well. Contact local EM for requests. PPE available is leftover from prior distributions. Warehouses need to empty out.

6. Partner Spotlight

Renewed Hope/Adventist Feeding Our Friends Food Drive

Jody Dickhaut/Karen Whitson-Jody introduced Karen. Karen-Completed food drive. Renewed Hope has been involved in assisting with food drives. Reached out to Harvesters and started taking meals to homeless camps. The City of Kansas City started housing homeless individuals in hotels in KC metro area and are now involved with assisting in bringing food to those individuals in hotels. Other Harvesters agencies also got involved. Renewed Hope hosted a few food drives to bring in more variety and items for 2k+lbs of food total raised. Have great partnership with other churches in this project effort. Ride KC has been providing transportation to take food to other locations to help homeless individuals. They have a retired bus they will donate to Renewed Hope to support a project of transporting food to homeless individuals. Karen is currently working on seeing how their organization can receive the donated bus. Also looking for commercial kitchen space to expand services for hot meals.

Jody-Reached out to national office in Maryland who are interested in feeding the homeless project they are engaged in right now in KC Metro area.

Discussion on collaborations with Salvation Army and Heart to Heart, Harvesters, and American Red Cross, etc to work with Renewed Hope on providing meals to homeless individuals in hotels.
