Broker

INFORMATION AND RESOURCE GUIDANCE AND ASSISTANCE TO INDIVIDUALS WHO CHOOSE SELF-DIRECTION.

Mission Statement

Vista Choice Supports provides information resource guidance and assistance to individuals and their families approved by the Maryland DDA who choose self-direction in the delivery of their supports and services to sustain or enhance their quality of life.

2. Individuals and families will have the information they need to deliver the specialized supports and Services that are conducive to their personal needs and wants

3. Tiger Team Approach

Support Brokerage services are provided as part of a collaborative team effort to support and provide customized service to help in the delivery of services and supports selected by the participant.

1. Personal Choice and Values
The ability for people with developmental disabilities to choose a mix of supports and services that serves their best interest is highly valued.

MY CHOICE MY LIFE

4. Consultant/ Parent Advocate
As a parent advocate of an adult with developmental disability, Vista Choice Supports was established to provide support brokerage services to individuals who choose their own path in life through a vista of personal choices that deliver supports and services, that are reflective of their goals and dreams.
