Luggage and Airline Travel:

Here are luggage guidelines set by Perform International for your journey.

- Checked Items: You are allowed only ONE CHECKED SUITCASE (due to limited luggage space on motor coaches). **Luggage Dimensions:** No greater than 50 pounds and 54 linear inches
NOTE: Linear inches = length + width + depth (measured in inches).
- Carry-on Items: You are allowed to carry on ONE BAG and one personal item (purse, briefcase, laptop computer, camera bag, etc.). **BUS LUGGAGE STORAGE SPACE IS LIMITED.**

Airline baggage rules differ from airline to airline. If you have questions, you should check with the airline on which you are booked for details.

Packing light:

You are encouraged to pack light for these reasons:

- **Less to carry:** You will be responsible for moving your luggage.
- **Peace of Mind:** Unfortunately, luggage can get lost or misdirected and not arrive at your destination when you do. You also risk that your luggage might arrive in less-than-ideal condition.
