

Celebrate 60! Alaska & Joe both born in 1959! A Message from Joe

Good afternoon, fellow travelers,

I hope you're getting excited about our trip next summer.

Krista tells me we already have a great group of people signed up for this birthday celebration and we can say with confidence that this trip is going to have some really memorable moments. I am confident you will find it a life-affirming experience as we behold nature's beauty in our 49th state and our music comes alive in beautiful venues in Seattle.

We still have a few spaces in the choir and on the cruise ship for your singing and non-singing friends to join us, so spread the news. After we've received word from Princess about performance possibilities onboard, and we have finalized venues in Seattle, we will be able to announce final music choices. That probably won't happen until next spring. Then, Krista will send the repertoire list to you with links to hear recordings and to order your music.

There is so much to see and experience onboard the *Ruby Princess*, in the various ports of call and in Seattle. We will experience breathtaking beauty, native artwork, warm camaraderie, and decades of history in our 49th state.

You will be hearing more details in the months ahead from Krista and me as plans for our programs become solidified. I am looking forward to the moment we sing our first phrase together.

Getting excited? I sure am!!!!!!

Happy scales to you,
