

When it comes to keeping your vehicle protected and connected, turn to OnStar® and Connected Services. And because every driver is unique, we offer several plans to suit your needs.

## CONNECTED ACCESS

*Your vehicle comes with 10 years of standard connectivity.*

Confidence, connection and easy-to-use features that bring more to your ownership experience. Stay on top of your drive with features like Diagnostic Alerts and Diagnostic Reports.

## REMOTE ACCESS PLAN

*Manage your vehicle, even when you're not behind the wheel.*

Remote commands allow you to start and stop (if properly equipped) the engine, lock and unlock the doors – even locate your vehicle in a parking lot. You can also send navigation directions from your smartphone to your vehicle's system.

## UNLIMITED ACCESS PLAN

*Unlock your vehicle's full potential and stay connected on the road.*

In addition to everything in Connected Access and the Remote Access Plan, you'll enjoy services like Unlimited Data delivered at 4G LTE speeds, Turn-by-Turn Navigation assisted by a live Advisor and the real-time traffic insights of Connected Navigation.

## ONSTAR SAFETY & SECURITY PLAN

*When the unexpected happens, you're never alone – OnStar always has your back.*

No matter what happens on the road, an OnStar Advisor is just a button push away, ready to help. Protect your car – and the people in it – with features like Stolen Vehicle Assistance, Emergency Services and Automatic Crash Response.
