

Supplemental Workplace Benefits

Small Businesses Love Our Supplemental Health Insurance Benefits

- Eliminate all the administrative burdens of offering a benefit program
- Reduce your payroll tax burden
- Offer your employees benefits they will value
- Make your place of employment a more attractive place to work
- **Achieve all these advantages while not increasing your cost of operating your business**

Employers can choose to pay for the benefits or they can treat them as a payroll deduction and let employees choose to purchase the benefits if they so desire.
