TEAM

SENIOR CONSULTANTS

Dr. Nadia De León

Doctor of Education, focused on intercultural education and experiential learning. She directed the service-learning center at Stanford University's Center for Comparative Studies of Race and Ethnicity. She is currently an Advisor, Social Researcher and Professor of Anthropology, Education and Leadership.

Mgtr. Adriana Sautú

Biologist trained in Argentina, with a master's degree from the University of Kentucky. She collaborated with the Panamanian Ministry of Education, the Ministry of Health and UNICEF on a series of educational and preventive projects. She designed and directed the educational program of the Biomuseo and founded the group Passionate Teachers.

Mgtr. Nyasha Warren

A certified STEAM educator, she holds a Master of Arts and Education from Harvard University and a Master of Health Environmental Sciences from New York University, and originally trained in biology at Oberlin College.

Mgtr. Diana Zárate

Anthropologist specialized in cultural heritage management, with training in museum education. She founded and coordinated the Panama Viejo-Banistmo educational program in which she generated approach strategies with pedagogical components, among the various audiences including the educational community.

Mgtr. Lidia Mestre

University professor, graduate in Ecology and Conservation and master's degree in Education. She has experience in conducting courses on Planning and Design of Exhibitions and Interpretation. For 21 years she worked at the Smithsonian Tropical Research Institute, where she administered the public and educational programs of the Punta Culebra Natural Center in Amador.

JUNIOR CONSULTANTS

Mgtr. Sara Camara

She has worked as a teacher in alternative education schools and as a consultant and teacher coach in the development and execution of experience-based projects (PBL).

Lic. Delfina D'Alfonso

She is a political scientist with a public policy orientation from the University of Buenos Aires and a Master's in Education with an ongoing thesis from the University of San Andrés.

Dra. Samantha De León

She is formed in Panama, Kentucky and Turin. She graduated as a doctor from the University of Panama. She supports as a social researcher.
