

Tyra Baruti

**Business Powerhouse,
Consultant, and
Credit Expert.**

WHO IS TYRA BARUTI?

"Given the significance millennials' play in financial services and the credit marketplace, it is crucial to educate them about credit."

- Tyra Baruti, MBA

Business Powerhouse, Consultant, and Credit Expert.

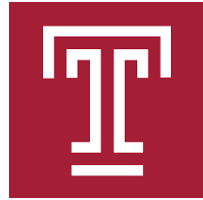

Tyra Baruti is a Business Powerhouse, Credit Expert, and critically acclaimed Author of *Pray, Plan & Profit*. She is the Owner and Co-founder of Kingdom Economic Solutions, which currently services entrepreneurs all over the United States. With innovative resources, Financial Coaching, and Marketing Strategies she helps companies put in place the infrastructure needed to grow successfully.

The Philadelphia native went through trials and tribulations to obtain the current position she is in. After leaving an abusive marriage, walking away with two kids and \$0 to her name, she overcame every obstacle thrown her way and grew a six -figure business in less than 12 months. She currently coaches and mentors female professionals and business owners on how to strategically plan for success and grow their profits.

Tyra spent over 15 years in the debt industry managing collection agencies, debt buying companies and working for debt consumer attorneys as a Paralegal. After obtaining her master's degree in Business Administration, she started her first company helping thousands of consumers get out of debt, close on new homes, obtain business funding, and much more. She is now a sought-after Credit Expert and Business Consultant changing lives one bank account at a time.

How To Get Positioned

...And other topics associated with her book "Pray, Plan & Prosper"

Eric Rivera Indie, Multinational Import-Export Executive of the Indie Group

Tyra understands that a person is far more than their circumstances. Her absolute commitment to helping entrepreneurs, startups, and professionals acquire financing is essential to our indie economy. She's an inspiration to me and all of the people who've been privileged enough to know her.

Dr. Robert J. Watkins, CEO & Chairman of Conquer Worldwide

I am so proud of Tyra and have seen her blossom in a wonderful author, businesswoman, and leader. Her passion to do business God's way and her unwavering integrity have garnered my unduly respect. My entire organization, ministry, and partners enjoy Tyra's sense of humor, on-time deliveries and "get-it-done" attitude. I would highly recommend all of Tyra's resources, books and companies to anyone in search of the next level.

Anthony Wheeler, Real Estate Investor

Tyra has helped me get access to over 200k in funding for my business. I now own a six figure Real Estate Company in New York City. She and her team helped me structure my business, develop a marketing plan and held my hand through the entire process.
