

## ***NABET-CWA*** ***Local 31***

September 23, 2020

Dear NABET Local 31 Members,

I hope you and your loved ones are safe, healthy, and doing as well as possible under the circumstances.

When we temporarily sent home employees from the Local 31 office in March, we did not imagine how long this pandemic would continue to affect our normal operations.

Although the office staff is working remotely the staff does stop by the office one to two days a week to check the mail and retrieve files.

We are still fully on duty to serve the Local 31 members, so please do not hesitate to contact any of us when you need assistance. Please continue to reach us by e-mail or telephone. The staff is sent an email anytime there is a voice mail left, 301/459-4999.

We know that it is not possible for many of our Local 31 members to work remotely right now, since many are essential workers. That makes it even more important for those of us who can alter our routines to help slow the spread of the coronavirus.

We are in this together. Stay safe!

In unity,
