January 26, 2021

Dear NABET-CWA Local 31 Members and Retirees,

It has come to our attention that some of you have received letters concerning a data breach that occurred in 2006. This did not involve data within the Local's control but took place at the national level. The compromised data included names and social security numbers. If you were not part of NABET-CWA in 2006 or earlier this will not affect you.

CWA has hired an outside firm to send letters to all of those affected, so if you receive a letter from the CWA with a return address from Claysburg, PA 16625, this is not a scam but rather an important matter which requires your attention. You are being offered 12 months of credit protection from CWA. I encourage you to sign up for the Experian credit report, credit monitoring, up to \$1 million in Identity Theft Insurance and assistance to help with problems that you may have.

Please follow the instructions in the letter to enroll in the credit protections prior to April 30, 2021. Your activation code, along with the website and phone number to reach customer service at Experian IdentityWorks, is contained in the letter.

We offer our apologies for this breach and its potential impact. We are currently working remotely so if you need further information, please leave a message on our office phone, 301-459-4999, and we will direct you to someone who can field your questions.

In Solidarity

Bob Williams
