

Our SoIN RDA READI 2.0 Reallocation Application Scorecard

	Scoring Range		
	Low	Mid	High
Will the project be improved or furthered by additional READI Funding?			
Does the project continue to have public buy-in (meaning is it supported by local municipalities/county)?			
Will additional funding leverage other investments such as city, town, county, or private resources?			
Does the project benefit a wider geography, including opportunities for rural areas to benefit?			
Is there a large economic impact expected from the additional funds?			
Is there a good justification for the additional funding requested?			
Has the project lead been actively participating in the READI process and supporting the RDA?		Yes	No
Can the project meet the stated timelines for document, budget and supporting information for READI 2.0
