SAGES stands for Senior Actors Guild & Education Services and we are a 501(c)3 nonprofit, all-volunteer theater company that collaborates with area community leaders to present engaging hour-long "Plays with Purpose" on challenging life issues impacting senior citizens. We highlight a positive image of aging by featuring talented senior actors in meaningful leading roles. Our goal is to provide intergenerational education on key topics for older adults that stimulate discussion and raise awareness on issues of safety and independence. The mix of comedy, drama and reality stirs compassion and inspires advocacy. We honor the experience and wisdom that comes with aging and celebrate overcoming challenges and embracing change at any age.
