Mark Positions		page 29

Note 1 If noted in the course description, Bounding Marks (Channel 71, 11 and 9) are not marks of the course, these are passing marks and therefore have a required side as indicated.

Note 2 For all courses, a laid mark may be specified as the first mark after the start.

This mark will be an orange inflatable buoy. The mark will be laid approximately to windward of the starting line at approximately 0.5 to 1.0 nm from the starting line. The direction of rounding the mark will be indicated by the display of a green or red flag from the Starting Vessel – green for starboard rounding and red for port rounding.

If no rounding signal flag is made, the mark is deleted from the course to sail.

Note 3 The positions of all marks of the course on the course diagrams are approximate and for illustrative purposes only. They should not be used for navigation and the positions may vary on the day.
