CHESTER COUNTY'S SMALL BUSINESS SHOPPING GUIDE 2022

Think Big!

GOOD REASONS TO SHOP SMALL
Put your \$ where your ❤️ is

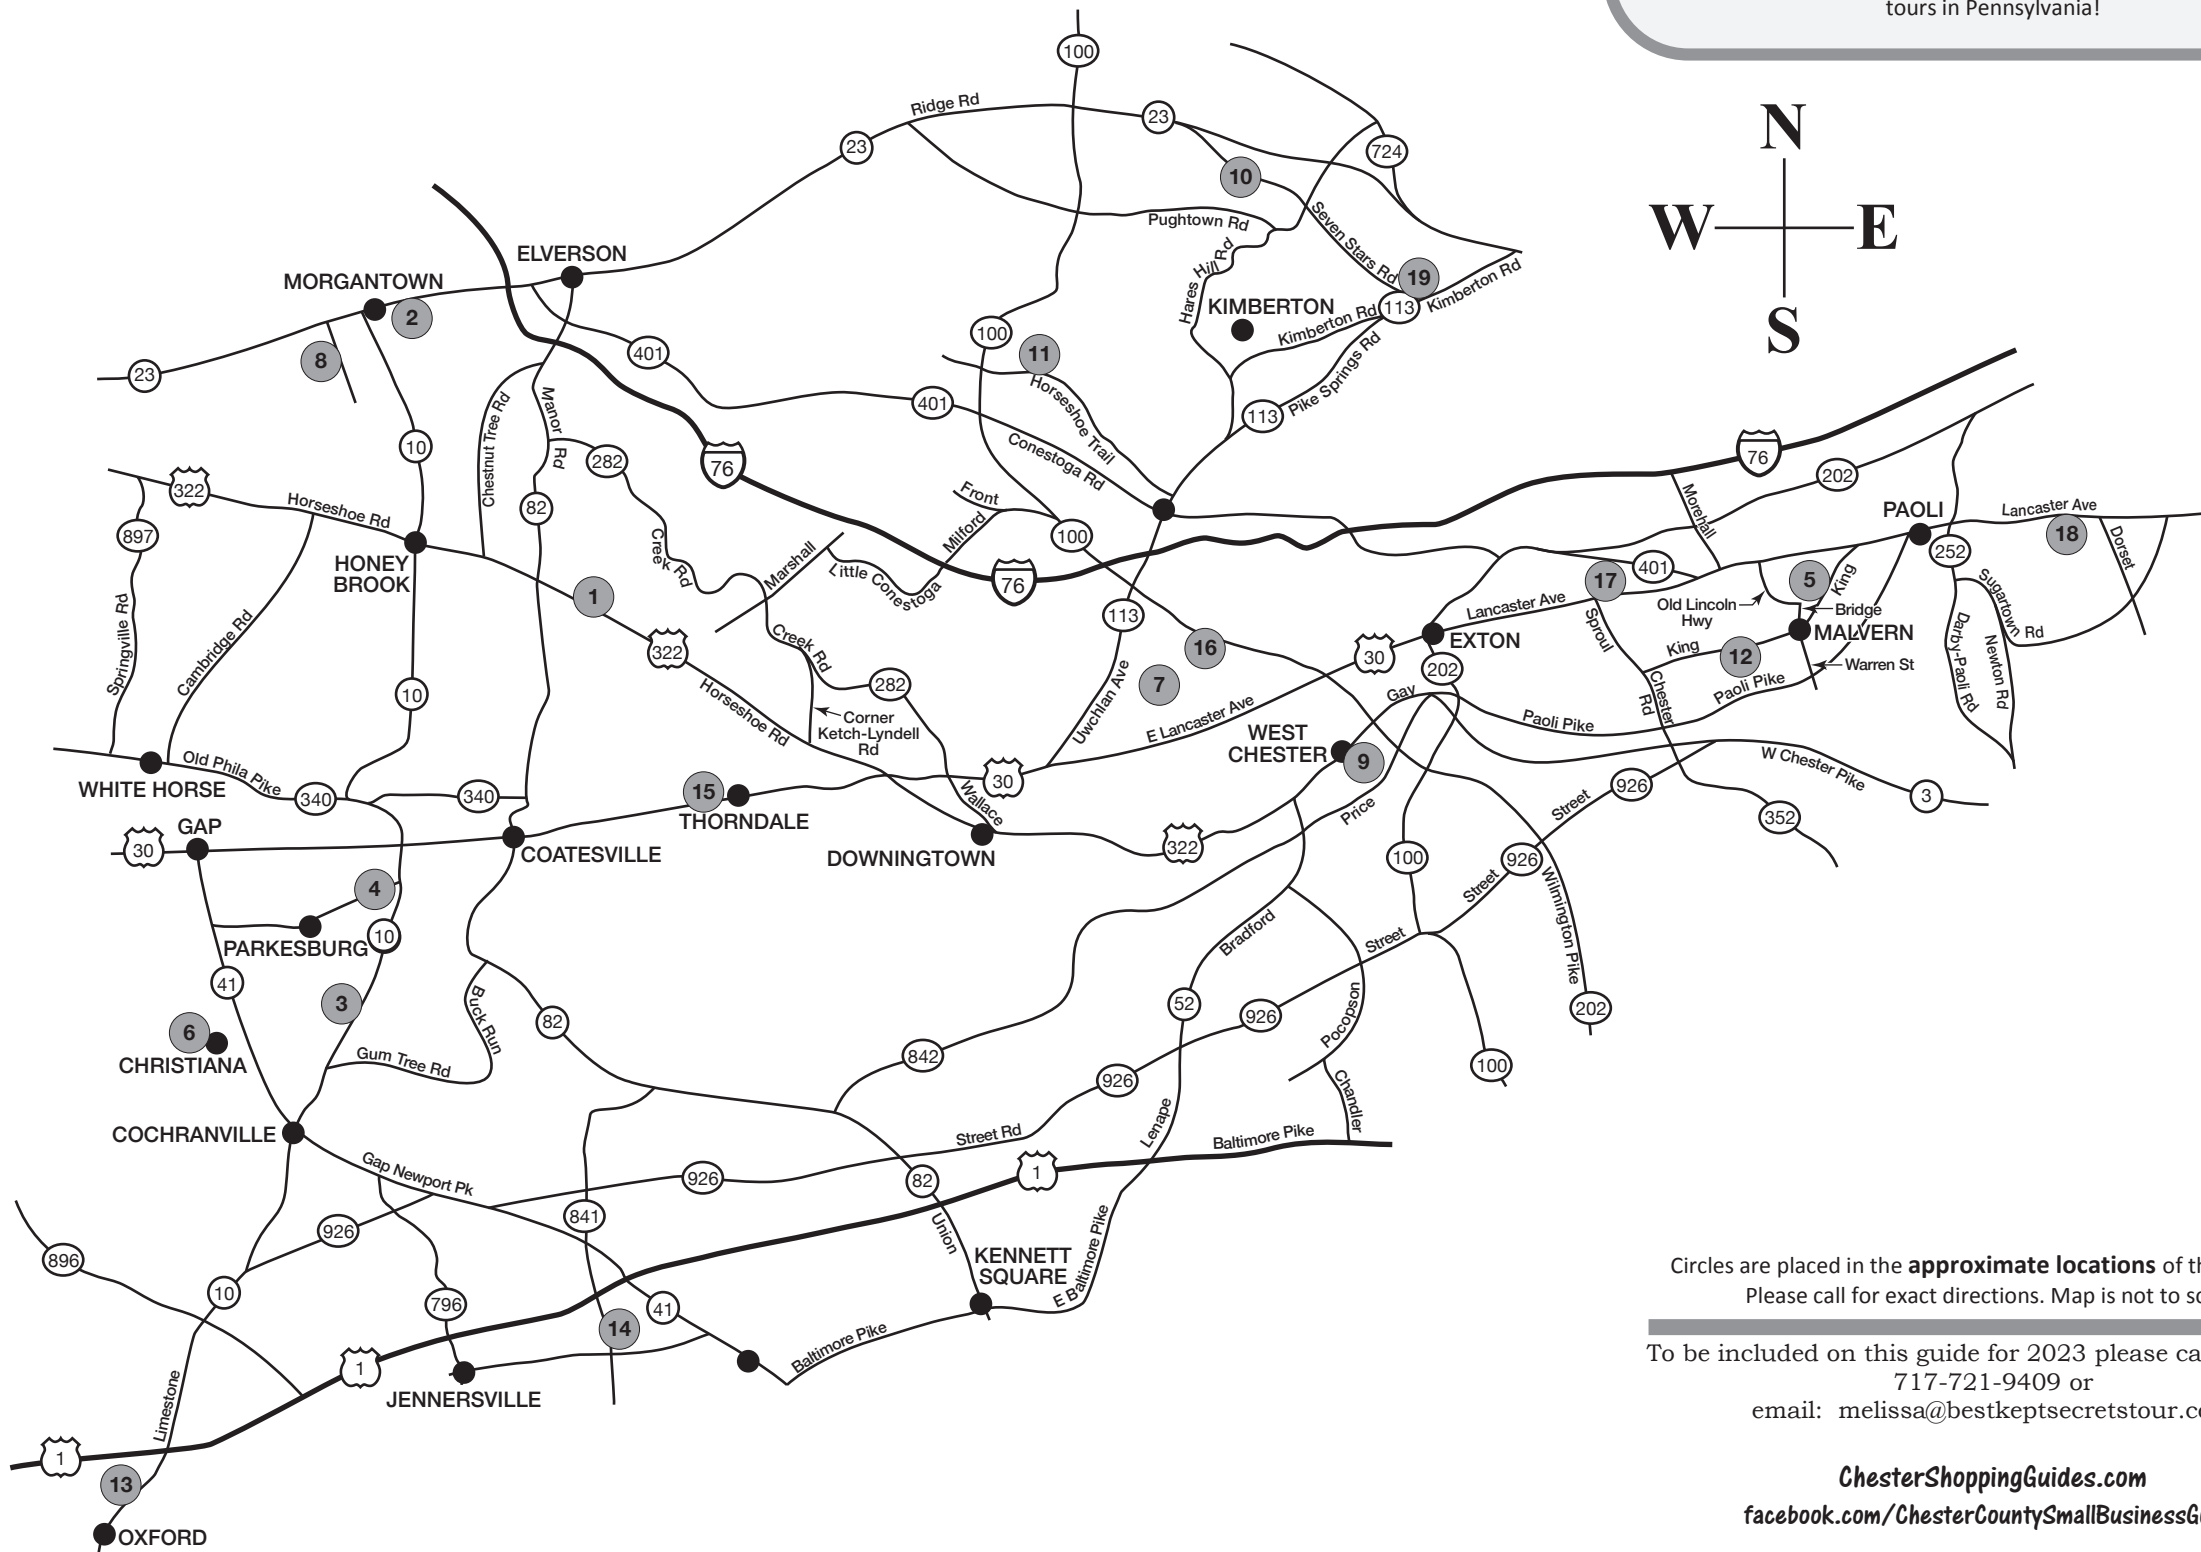

We've put out the welcome mat for you . . .
At a small business, chances are you'll be waited on by the owner or a member of their family. This makes for better customer service – something that can be hard to find at larger stores.

You'll find unique, and one-of-a-kind items . . .
Only small businesses can offer an item that you will find nowhere else.

Your local economy will benefit . . .
Shopping small creates and supports local jobs. Each time you purchase a product locally you are helping to pay the salary of a friend or neighbor.

Small business gives back . . .
Research shows that over 90 percent of small-business owners contribute each year to their communities. That means your purchase of a good or service at a small business is a great way to "pay it forward."

It's good to be part of the dream . . .
Small-business owners are the embodiment of the American Dream; supporting them makes you part of the dream, and that's a good thing.
