Building Belonging
Creating Connection

About Us

Fayette Together is a volunteer-led, nonprofit 501(c)(3) organization based in Fayette, Missouri. We believe that by honoring our past and working together in the present, we can build a brighter, more connected future for everyone in our community.

Founded by neighbors who care deeply about the people and history of Fayette, our mission is to bring people together — to listen, to learn, and to lead with compassion. We offer community projects, partnerships, and events that create opportunities for belonging, shared understanding, and meaningful connection.

Whether it's hosting educational programs, supporting youth, celebrating local stories, or creating welcoming spaces, we strive to make Fayette a place where every person feels seen, supported, and valued.

Rooted in Respect Focused on Community

Our Vision

We envision a community where everyone feels a sense of belonging, where every voice matters, and where all people have the opportunity to grow and thrive.

Our Mission
