

ABOUT US

Our Mission: Is to spread positivity to help the healing process. We hope other women know that they too can heal from mastectomy surgery in order to continue their lives in the same way Maria has; with a sense of hope, humor and our course positivity.

CARE PACKAGES

Our care packages include essential items to help women feel supported and comfortable during their treatment journey.

Sample items: Personal care products, cozy blankets, uplifting messages, and more.

How to Order: Email PositivelyPinkInc@gmail.com to request a care package for yourself or a loved one at no cost. Please include name and size of pajama. We will contact you with delivery options.

HOW TO GET INVOLVED

Support our cause by donating, volunteering, or organizing a fundraiser. Your contributions help provide hope and comfort to women facing breast cancer

Your donations help us deliver care packages, as well as provide scholarships to local schools for high school students that are effected by cancer on Long Island.

Donation Link: www.PositivelyPink.org - we accept PayPay and Venmo donations.
