

VACANCY:
Engineering Associate**WHO ARE WE?**

SimplAire specializes in the sale, installation, and maintenance of Air Conditioning systems for both the commercial and residential markets and is a dealer of the brands Toshiba, Carrier, Ciac, Danfoss and SIEMENS, among others.

Working at SimplAire means working in a fast growing internationally oriented company with an ambitious team. In a professional way, we work on an optimal service for our customers.

WHO ARE WE LOOKING FOR?

Do you have a passion for technology? Are you eager to learn, a team player and punctual? Can you organize and adapt quickly? Are you open to new challenges? Then we are looking for you for the full-time position of:

Engineering Associate

As an engineering employee in SimplAire, you enjoy working on a variety of assignments. It is up to you to take the challenging task of managing the process from issuing adequate quotations to carrying out commercial activities and developing them all the way to a full-fledged project.

In this process you determine the use of materials, make calculations, and provide work and detail drawings. In addition, you will have intensive contact with the customer and internal organization, ordering materials and ensuring that the project is properly executed.

In short, do you enjoy supervising a project from A to Z and do you have the desired experience? Then there is only one thing to do: respond as soon as possible!
