ABOUT THE FSG

You have the right to ask us about our charges, the type of advice we will provide you, and what you can do if you have a complaint about our services.

This Financial Services Guide (“FSG”) is intended to inform you of certain basic matters relating to our relationship, prior to us providing you with a financial service. The matters covered by the FSG include who we are, how we can be contacted, what services we are authorised to provide to you, how we (and any other relevant parties) are remunerated, details of any potential conflicts of interest, and details of our internal and external dispute resolution procedures, along with how you can access them.

It is intended that this FSG should assist you in determining whether to use any of the services described in this document.

When we provide you with initial advice regarding an issue, or further advice where your circumstances, objectives or needs or the basis of the advice we are providing you is significantly different to when we provided you with earlier advice, you may be entitled to receive a Statement of Advice. The Statement of Advice will contain the advice, the basis on which it is given and information about fees, commissions and associations which may have influenced the provision of the advice.

If we provide you with further advice where your circumstances, objectives or needs or the basis of advice we are providing is not significantly different to when we provided you with earlier advice, we do not provide the advice in writing at the time, you may request a copy of record of that advice. A copy is available at any time up to 7 years from the date our representative gave the advice to you.

Further advice may be given by our representative if your personal circumstances have not significantly changed, and that further advice is related to the advice we provided to you in a previous Statement of Advice. You can request the record of the advice by contacting the representative or us in writing or by telephone or by email.

In the event we make a recommendation to acquire a particular financial product (other than securities), or financial products that are listed on a financial market, we may also provide you with a Product Disclosure Statement containing information about the particular product, which should help you to make an informed decision in relation to the acquisition of that product.

BEFORE YOU RECEIVE OUR ADVICE

Before we provide any official advice to you, we would like to make sure that you're comfortable with the following details.

Lack of Independence

While we always seek to meet our legal obligations of section 961B of Corporations Act 2001, we do not fall within the definition of independent, unbiased or impartial under Section 923A.

This is because we give our clients the option of allowing insurance companies to pay us a commission for services we provide rather than invoice our clients. We remain committed to continue to give our clients this important choice.

We have also created investment products under a related entity, Ethical Investment Funds Management Pty Ltd (EIFM), which is a Corporate Authorised Representative of EIA. Luke Price, Accelerated Wealth Pty Ltd and Ethical Investment Advisers Pty Ltd (EIA) have a relationship with EIFM. Luke Price is a member of the Investment Committee for EIFM and is a shareholder of both EIA and EIFM, and may receive dividends or distributions from these entities.

These associations could be expected to influence us in the provision of financial services. However, there is no payment of monetary remuneration to Luke Price, Accelerated Wealth Pty Ltd or Ethical Investment Advisers Pty Ltd upon recommending EIFM investments to you.

How will I pay for the service?

Initial Advice Meeting

At your first meeting you will meet with Luke Price to talk about your goals and how we can help. There is no fee for the initial meeting. From our discussion, we will have a good understanding of your situation and needs. With this knowledge we will quote you a flat fee for the initial Statement of Advice. All initial fees will be outlined to you in a 'Letter of Engagement' document. No fees are payable unless you engage our services by signing the Letter of Engagement.

Initial Statement of Advice

Initial Statement of Advice fees are payable based on the complexity of the advice and your situation. The Statement of Advice fee is generally between \$1,500 and \$3,500. More complex plans will be more expensive, but the cost will be outlined to you before work on the Statement of Advice begins.

For more complex implementation procedures, we may charge an implementation fee. This will usually range from \$500 to \$2,200, but will be discussed during an initial meeting and detailed in your Statement of Advice.

The fees will be either invoiced to you on completion of the Statement of Advice or withdrawn from your investment and/or superannuation balance upon proceeding with the advice, if applicable.

Ongoing Financial Advice

Should you choose to retain us for Ongoing Financial Advice, fees are payable based on the complexity of the advice required and regularity of investment reviews and may be charged as a combination of a flat fee and a percentage-based fee. Fees are generally charged on a monthly basis and indexed in line with inflation (CPI) each year.

A minimum flat fee of \$1,500 per annum will be charged to provide you with ongoing financial services. This fee is based on the number and complexity of the financial services required. This will be either invoiced to you or withdrawn from your investment and/or superannuation balance, if applicable.

Full details of the fees payable will be disclosed in your Statement of Advice. In some cases, fees may be capped, depending on the value of funds under management and the complexity of the work involved.

Investment Review: Records are maintained detailing clients' investments that were recommended by Ethical Investment Advisers. Investments are reviewed on a quarterly, semi-annual or annual basis, subject to the client's discretion.

All fees outlined above are inclusive of GST.

Do you receive remuneration, commission, fees or other benefits in relation to your provision of financial services and how is that commission calculated?

1. Ethical Investment Advisers receives 100% of the fees paid by you, including any insurance commissions, and pays Accelerated Wealth Pty Ltd ATF Accelerated Wealth Trust approximately 95% of those fees, retaining approximately 5% for expenses.
2. Luke Price receives an income distribution from Accelerated Wealth Trust. Luke Price does not receive bonuses from Ethical Investment Advisers based on income generated.
