

Xplosion Volleyball Club LLC Club Season Protocols for COVID-19

For practices and tournaments, players and coaches must abide by the COVID mandates established by the tournament director, facility owners, local health officials, the Ohio Valley Region and/or Xplosion Volleyball Club LLC. These COVID mandates may vary from location to location. Should any family or player not be able to comply with a COVID mandate, they can always choose to opt out of participating in an event.

Any participants (coaches/staff/players/parents) who are experiencing symptoms associated with COVID-19 **SHALL NOT** enter a practice or tournament facility, unless they have a negative test result from a test taken since symptoms appeared.

Protocols for Xplosion coaches and support staff:

1. Perform self-assessment health check prior to arrival at facility.
2. Will maintain proper social distancing (6 foot of separation) where practical.
3. Will remind players to maintain proper social distancing where practical.
4. Attendance records will be kept at each practice in case contact tracing becomes necessary.
5. Make sanitizer and cleaning supplies available to all participants.
6. Will abide by the COVID mandates established by the tournament director, facility owners, local health officials, the Ohio Valley Region and/or Xplosion Volleyball Club LLC.

Protocols for Xplosion players:

1. Waiver must be signed (by parent for players under 18) prior to participation.
2. Perform self-assessment health check prior to arrival at facility.
3. Will maintain proper social distancing (6 foot of separation) where practical. Bags/backpacks should be stored 6 feet apart and there should be no sharing of any personal items such as water bottles/towels.
4. Will abide by the COVID mandates established by the tournament director, facility owners, local health officials, the Ohio Valley Region and/or Xplosion Volleyball Club LLC.
5. Please bring hand sanitizer for personal use, as necessary.

Protocols for shared equipment, building space, and court space:

1. Maintain social distancing whenever possible.
 2. Individual teams will be assigned to a court/half court. Players should limit their interaction with other teams while in the facility or while coming or going from the facility. Xplosion staff will work to minimize the physical interaction between teams.
 3. Hand Sanitizer and cleaning supplies will be readily available for all participants to use. Players and coaches will be encouraged to use hand sanitizer frequently.
- Unless mandated by a tournament director, facility owners, local health officials, USA Volleyball or the Ohio Valley Region, mask wearing will be optional. It will be a personal choice for coaches/staff/players/parents to choose to wear or not wear a mask. If a mask is mandated and an individual chooses not to comply with the mandate, they are welcome to opt out of participating in that particular event.
