

Footy carnival inspires sign-ups

KOSTERA Oval in Kalamunda recently hosted one of the biggest sports carnivals of its kind, to encourage students with disabilities to have a go at Australian Rules Football.

The 2022 Kalability Kickability All Stars Footy Carnival attracted more than 500 students with disabilities from schools around the state last Wednesday.

Kalamunda Secondary Education Support Centre hosted the event which saw students from Year 7 to 12 engage in a modified ver-

sion of AFL.

WA All Abilities Football executive officer Hayden Marchetto said the carnival was a great way to introduce students to the sport.

“The carnival gives the students the opportunity to try a modified version of AFL and hopefully encourage them to sign up with local clubs which have integrated competitions,” Mr Marchetto said.

“These events promote positive physical and mental wellbeing and teamwork and allows students to socialise more widely.”

Students Kaydan Price, Millie Sellin and Samantha Cousemacker enjoyed games of modified AFL last week.
