

KALABILITY ALL STARS

RAPID FIRE CRICKET CARNIVAL

20
22

Proudly presented by
Kalamunda Secondary Education Support Centre

ABOUT OUR CARNIVAL

Since 2009, Kalamunda Secondary Education Support Centre has hosted a variety of interschool carnivals for Education Support Schools from across the Perth Metropolitan and country regions.

The Kalability All Stars Sport Carnivals are the largest interschool sport carnivals for students with disabilities in Western Australia. Participating schools come from as far as Joondalup Rockingham, Byford and Swan View.

Proudly supported by WA Cricket, our 2022 Kalability Rapid Fire Cricket Carnival is an integrated sporting event for Year 7-13 students with a disability from Education Support Schools. The 2022 carnival is being held on November 23, at Hartfield Park in Forrestfield.

This carnival is a great way to introduce students with disabilities to Cricket and may also encourage them to sign up at local junior clubs in the future.

All games played at the Carnival, are a modified version of Cricket allowing students of all abilities a chance to participate and enjoy themselves in an inclusive environment.

IMPORTANT INFORMATION

NOMINATIONS

Team nominations are to be submitted to Emmalee Wratten at Kalamunda Secondary ESC via email: (emma-lee.wratten@education.wa.edu.au)

Nominations are due November 11, 2022.
Late nominations will be accepted.

Roaming

LOCATION

The Kalability Rapid Fire Cricket Carnival is being held at Hartfield Park, Forrestfield. Parking and Bus drop off is located near the Recreation Centre (yellow star)

TIMES

Schools are to arrive no later than 9.45am.

Games will start at 10.15am SHARP. Schools which do not make start time will forfeit their game to ensure that the day's schedule of events run on time.

Please nominate 2-3 staff to participate in a backup 'staff team' in case there is a need to fill a game position due to a cancellation of a school/late arrival/early leave etc. Please note: There is no guarantee that these staff will play a game. Its is a back up only.

CLOTHING AND SUN PROTECTION

As Cricket is an outdoor sport, we would like to remind everyone about the importance of sun protection. We strongly recommend that all in attendance wear hats, sunscreen and protective clothing. Closed in shoes (trainers) are recommended.

Please ensure that all participants bring their own water bottle and drink plenty of water throughout the day.

Schools are to provide their students with sunscreen throughout the day and are encouraged to monitor the weather forecast in advance to ensure their students have the correct clothing ie: change of clothes etc.

FIRST AID

Injuries are to be attended by the individual school staff. KSESC will provide a First Aid Officer.

Students receiving First Aid care from the First Aid Officer must be under the supervision of a staff member that know the student's relevant medical history and specific needs are communicated clearly.

LUNCH

Rapid Relief Team are kindly donating lunch to all staff and students in attendance of the Kalability Rapid Fire Cricket Carnival. Quantity and dietary requirements are to be advised at time of registration.

Divisions will have a designated lunch break during one of their timetabled "byes". Please refer to fixtures for times.

RUBBISH

Schools are responsible to keep their designated areas free of rubbish during the Carnival and when they leave at the end of the event.

PHOTOGRAPHY

Due to numerous schools, media outlets and other guests taking photos at the Kalability All Stars Carnivals, all students that **do not** have photo permission are required to wear a bright coloured wristband/sticker which is highly identifiable.

These wristbands will be handed out to the participating schools prior to the commencement of the carnival. It is each schools responsibility to ensure that they have the correct photo permission for their students.

MARQUEES AND WEATHER

Schools are encouraged to bring their own shade/shelters/protection as there is no grandstand/shelter available for their students.

School representatives will be notified 24 hours in advance of the Carnival if it is required to be cancelled due to extreme weather.

PACK UP

Each school is responsible for pack up of their allocated area.

Please nominate 2-3 staff to pack up your tent/shelter whilst the presentations and closing ceremony is underway to ensure that the Carnival runs according to schedule and buses are met at the correct times.

COVID-19

Whilst masks are no longer mandatory, masks are encouraged for staff and students (Year 7 and above) where physical distancing is not possible.

Please ensure all staff and students are following the latest public health and social measures. Refer to healthywa.wa.gov.au for information.

RISK MANAGEMENT

- Schools are required to keep their own records of attending students and staff
- KSESC Risk Management
- City of Kalamunda Public Liability Insurance Reference No# 001314 LGISWA

12.35pm	Schools to pack up tents and pack up any rubbish around their designated area	Staff	Allocated area
12.40pm	Presentation & closing ceremony	Everyone	Grandstand
1.00pm	Schools leave	Everyone	

GAME OVERVIEW

Rapid Fire cricket is a game played in two teams. One batting and one fielding.

Teams consist of 8 players on the field at one time.

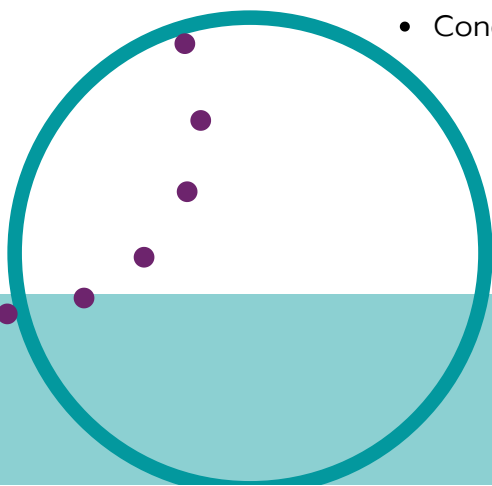

The batter hits the ball off the tee and proceeds to run back and forth between the wickets scoring as many points as possible.

The fielding teams objective is to pick up all the balls and return them to the tees as quickly as possible.

The team with the most points wins.

EQUIPMENT USED

- 6 Cricket batting tees
- 6 Kwick Cricket balls
- 2 Kwick Cricket bats
- Cones

RAPID FIRE RULES

On the call from the umpire of 'RAPID FIRE', 2 players from the batting team strike 3 balls each off the tee (one after the other), and then complete runs between the two sets of wickets, until the fielding team return all balls to their original position, on the tees.

Balls can be hit in any direction

Cones on the field represent the 'Safety Line' and also suggested fielding positions

The field team may not cross the designated safety line (marked by cones) until all balls have been hit

Fielding team may catch the ball if it is within reach. A successful catch will result in 5 runs being deducted from the opposition's score

Fielders may physically carry the balls back in or throw to team mates

Once all balls are returned and placed on tees, the batter's turn is complete and runs scored are recorded

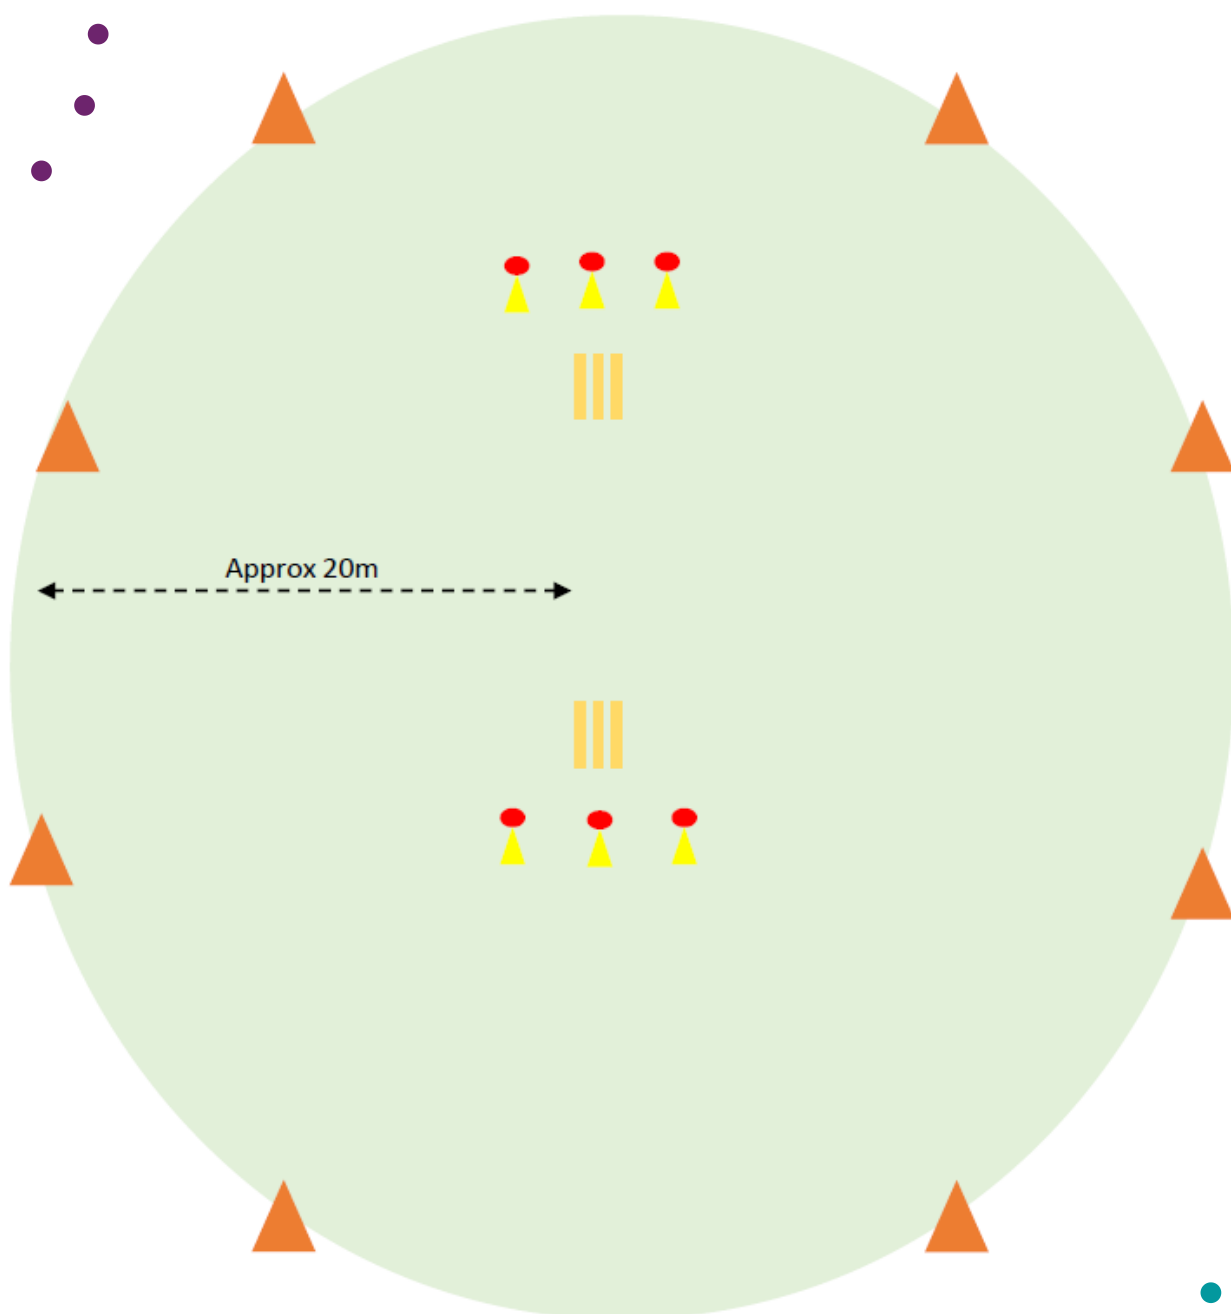

Batting team then sends out the next pair. Once all batters have batted once, they have another turn

Once the batting team has all had two turns at bat, their innings is complete and they go into the field, and now it's the fielders' turn to bat

TECHNIQUE TIPS

- The correct way to hold the bat is to stand side on, using two hands and a low hit rather than swing like in golf
- The aim is not to hit the balls as far as possible, but to use accuracy and precision to hit the balls through the fielders
- Encourage the fielders to throw the balls to their team members to return them to the batting tees rather than running with the balls

FIELD LAYOUT

KEY

Batting tee and bal

Wicket

Cone (safety line marker)

HEALTH & SAFETY TIPS

- Ensure batters do not throw the bats down
- Ensure pairs are stood well away from the batters while they are waiting in the batting team area
- All fielders must return to their positions behind the fielding line before the next batting pair can take their turn

SCORING

- One run is awarded for every run the pair complete
- A successful catch made by the fielders will result in 5 runs being deducted from the oppositions score
- No pair can score less than zero
- The team with the most runs scored is declared the winner

OVERALL POINTS SYSTEM

Division Cup Winners

Schools will receive points for each win & each draw. This points system will determine the overall winner for each division in the Kalability Rapid Fire Cricket Carnival.

The winning school for each division will receive a winner cup

5 Points – Win

3 Points – Draw

1 Point – Loss

In the case of a draw in total points won, values points will be taken into consideration to establish a winner for that division.

Kalability Perpetual Values Award.

This award is a School Award rather than a team award. Umpires/Scorers will have three points to allocate to teams competing each game. They will meet at the end of each game to discuss which team/school best represented each of the Kalability All Stars Values. 1 point each will allocated for Respect, Responsibility and Safe behaviors demonstrated throughout the game time. If a school has more than 1 team nominated to participate at the Carnival, the total points awarded to that school will be divided by the number of teams they have nominated.
