REQUEST FOR APPROVAL FOR ENROLMENT IN AN EDUCATION SUPPORT FACILITY

Where a student demonstrates an exceptionally high educational need, placement in an education support setting may be permitted if it is agreed by the parent, education support facility principal and School Psychology Service.

The principal is responsible for facilitating enrolment reviews in collaboration with the parent and senior school psychologist or lead school psychologist.

In the case of enrolment through local placement, endorsement by the Regional Executive Director is required. Should a local placement be made, this does not guarantee additional resourcing. Resourcing is equitable to what would be provided in a local school.
