Terms: By signing up for a Wine 'Nation Club, you authorize The Wine Destination to keep your agreement on file and charge your credit/debit card each month for your Membership. You agree to a recurring monthly charge based on the club you joined. Must be 21 years of age or older.

Enrollment Process:

Choose a club option and create a customer profile with Vincipia: Club membership is managed by Vincipia (Vinsipp.com) and billed by Square. All your contact and billing information is updated and managed by you (the customer) within your Vincipia profile. You may update your personal information at any time via your profile login account.

Automatic Billing: Club fees for active members are charged the 1st of each month. A payment confirmation will be sent to the email address on file in your Vincipia account.

New memberships requested after the 1st of the current month will apply to the following month unless approved by The Wine Destination.

Wine Pick-up: All club wines will be available for pickup at The Wine Destination the **first** Wednesday of each month. We will also have all four of the club wines available for tasting, since members can purchase more of these at a discount for that month. **We do *not* deliver or ship club wines to customers.**

**** Member wines will be held for 60 days. After that point, we cannot guarantee their availability. If the wines are no longer available, the customer will be given a store credit in lieu of the wines.*

Club Changes or Cancellation: There is a one month minimum on all wine clubs. After one month, you may opt to switch to a different club level or cancel your wine club membership. (cont.)

Changing club levels can be done by accessing your Vincipia profile (www.vinsipp.com) and editing your club membership. Changes to club levels will apply to the following month.

If you wish to have your membership paused/cancelled, please contact The Wine Destination via phone or email for assistance.
