COURSES & BIRDS

All tests will be run on a single course with a bird field. Native and/or released Quail/Pheasants/Chukar will be used in all tests. Judging will be done by horseback, on ATV's or walking the braces. The hunt test committee reserves the right to change the course and the order of dogs running in order to ensure the event runs smoothly.

Junior Hunting Test: A Junior hunting dog must show a keen desire to hunt, be bold and independent, have a fast, yet attractive, manner of hunting, and demonstrate not only intelligence in seeking objectives, but also the ability to find game. A Junior hunting dog must establish a point on at least fifty (50) percent of the birds it encounters, but no additional credit shall be given for steadiness to wing and shoot. If the handler is within reasonable gun range of a bird which has been flushed after a point, a blank cartridge must be fired by the handler. Junior hunting dogs must hold point until the handler gets within normal gunshot range. This requirement should be tempered by practical considerations such as the dog's distance from the handler when it finds a bird. Junior hunting dogs must also show reasonable obedience to their handler's commands.

Senior Hunting Test: A Senior hunting dog must show all of the attributes of a Junior hunting dog. In addition, the Senior hunting dog must be steady to wing on all pointed birds and must remain in position until the shot or they are released. A Senior hunting dog must retrieve. All birds that are pointed by the Senior dog in a bird field must be shot where safety allows. If gunning is being done on course, all birds pointed on course must be shot where safety allows. A legitimate attempt to retrieve all downed birds must be made. Conditions such as the type of cover where the bird landed, the terrain, and the condition of the downed bird, sometimes make a retrieve impossible, and this should not reflect negatively on the score of the Senior dog. Whenever it encounters its brace mate on point, it must honor. A dog that steals its brace mate's point cannot receive a Qualifying score

Master Hunting Test: A Master hunting dog must give a finished performance and demonstrate clearly that it deserves to be qualified as such. This is the complete hunting companion that any hunter would be proud to own. It must be under its handler's control at all times and handled kindly, with an absolute minimum of noise and hacking by the handler. A Master hunting dog must show keen desire to hunt, must have a bold and attractive manner of running, and must demonstrate not only intelligence in seeking objectives, but also the ability to find game. The dog must hunt for its handler at all times at a range suitable for a handler on foot and should show or check in front of its handler frequently. It must cover adequate ground but never range out-of-site for a length of time that would detract from its usefulness as a practical hunting companion. The dog must locate the game, must point staunchly, and must be steady to wing and shot on all birds and if it breaks, it cannot receive a Qualifying score. Intelligent use of the wind and terrain in locating game, accurate nose, and intensity on point are essential. Whenever it encounters its brace mate on point, it must honor. A dog that steals its brace mate's point cannot receive a Qualifying score. A Master hunting dog must positively demonstrate its steadiness to wing and shot birds that are pointed by the Master dog in a bird field must be shot where safety allows. If gunning is being done on course, all birds pointed on course must be shot where safety allows. Gunning must be done by Official Guns only. A legitimate attempt to retrieve all downed birds must be made. Conditions such as the type of cover, where the birds landed, the terrain, and the condition of the downed bird, sometimes making a retrieve is impossible and this should not reflect negatively on the score of the Master dog. All killed birds must be retrieved promptly, tenderly, and absolutely to hand. The handler shall not command or signal the dog to retrieve until positive steadiness has been demonstrated

Double Double Hunt Test & Water Test Weekend May 3 & 4 2025

Twin Cities German Wirehaired Pointer Club Double Double hunt test & Water Test

Each event will hold 3 stakes per day (Junior Stake, Senior Stake, Master Stake).

You have the option to enter a dog in only one, or up to 4 events. An entry form for each event will need to be submitted for each dog you wish to participate. Checks must be written to TCGWPC

The committee members will coordinate the draw as best as possible to ensure that all dogs will be able to run in their designated stakes in the designated order. However, it will be up to the discretion of the hunt test committee and the judges to change running order if it is felt this will result in a reasonable and desirable saving of time in the conduct of the event.

For Your Safety...

All Handlers and Gallery members must wear an article of blaze orange or hot pink. NO EXCEPTIONS!! These events do require the use of dogs and horses. The Hunt Test Committee cannot guarantee the disposition of these animals. We ask that parents do not allow their children to approach the dogs and horses while they are tied out (without permission). We don't want to see anyone get bit, kicked, wrapped up in chains or hurt in any way.

Judges: Judges' decisions are final. Once the dog comes to the line, the judge has complete control over dogs and handlers. Judges shall have the authority to disqualify a dog that is not present within five (5) minutes after it has been called to run by the judges. A person may not agree with a judge's decision, but he/ she cannot confront the Judge, other than to politely ask why the dog did not qualify. Any rudeness on the part of the handler is subject to disciplinary action. Judges are not obligated to discuss scores with handlers, but if they elect to do so, such discussions shall be held only after completion of the test. A handler can complain to the Hunting Test Committee and write to the AKC, but he/she should not confront the Judge. The Hunting Test Committee will take action regarding such situations at the conclusion of the test.

All hunting will be on foot, judges will be on ATV and/or horse.

Safety: All handlers, gunners, marshalls, judges and gallery participants for all test levels will be required to wear an upper outer article of blaze orange or hot pink. A hat alone DOES NOT meet the requirement. Eye protection recommended in Senior and Master tests.

Tracking Collars: Use of AKC approved tracking collars is permitted in accordance with AKC regulations.

Bathroom Facilities: Will be provided in the form of an onsite satellite.
