HAPPENINGS OF THE MONTH
APRIL'24
GRADE NURSERY

An illustration featuring a white, torn-edged paper sheet on a green background. At the top right, a red pencil is drawing a wavy red line, and an orange pencil is positioned below it. At the bottom left, there is a blue pencil and two yellow envelopes. The word "NURSERY" is written in the center of the white paper in a bold, black, serif font.

NURSERY

ENGLISH

Students of class nursery explored writing letter A with the help of water colours. They master their fine motor skills while playing with colours.

HINDI

छात्रों ने ब्लॉकस के माध्यम से अक्षर अ बनाया । जिससे न उन्होंने अपने दिमाग का प्रयोग कर अक्षर अ को आकर दिया बल्कि अपने फाइन मोटर स्किल को बढ़ाया ।

MATHS: Tear and paste activity was done so that students can have clear understanding of formation of number 1. They also polished their pincer grip while tearing and pasting the origami sheets.

Art and craft: Imagination, on the occasion of earth day students opens their wing of creativity. They made a model of earth using rice and grass developing their critical thinking, touch and feel skills.

Physical Education Students developed their gross motor skills while playing with hula hoop and cones. The activity enhanced their balancing skills, walking and jumping skills.

General Awareness

Speaking activity: Students speak a few lines on my family. This boosts their confidence and speaking skills. They also learn how to overcome Public speaking and stage fear.
