

# REMINDER

## The Hospitality Committee Needs Your Help!

The Hospitality Committee is supported by your donations. Our goal is to get \$5.00 per person, per household, annually, from January through December. This donation is used for get-well and sympathy cards as well as cards to nursing home residents and shut-ins. Gifts (plants, fruit, etc.) are delivered to those who have been in the hospital three days or more. If there is a death of a resident or a resident's parent, child, grandchild or spouse, a memorial contribution is designated to the charity of their choice. We help residents with their funeral receptions held in the Clubhouse.

Please fill in the information on the bottom along with your check and/or cash in an envelope and leave it at the front desk of the office, or you can give it to Debbie Simpson at the monthly Community Meeting. Make checks payable to the Hospitality Committee.

Thanking you in advance.
