- Signups are required (for planning and for the potential for contact tracing).
- All activities are limited to residents only.
- Pandemic hours remain in effect.

Temperatures will continue to be taken when entering the Clubhouse, social distancing of 6 feet remains, and **masks shall be worn at all times while in the Clubhouse regardless of one's vaccination status.**

The safety of our residents remains the primary concern of the Board of Trustees. Since the pandemic began, there have been no cases of COVID-19 traced to the Clubhouse and the aim of the Board is to keep it that way. Adjustments will be made based on further directives from state and/or local authorities.
