<i>iii</i>	Note to Readers
<i>xv</i>	Preface
1	PART 1 Introduction & Background
3	CHAPTER 1 Introduction Diseases We No Longer See How This Book Is Organized and My Objectives
13	CHAPTER 2 A Short History of the Development of Vaccines to Control Diseases If the Diseases Are Gone, Why Do My Family and I Still Need All Those Vaccines? The Diseases That Vaccines Prevent: Then and Now
23	CHAPTER 3 Microorganisms, Infections, and Immune Responses Microorganisms Infections and Infectious Diseases How Pathogens Travel How Rapidly Pathogens Travel Our Remarkable Immune System

- 37 CHAPTER 4
What Is a Vaccine?
What Should a Vaccine Do?
Teaching the Immune System: How Vaccines Work
Community Immunity
What Is in a Vaccine?
Human Fetal Components of Some Vaccines
- 55 CHAPTER 5
The Development and Use of Vaccines
Vaccine Development, Regulation, and Recommendations
Vaccine Indications and Recommendations
Why Are So Many Childhood Vaccines Recommended for All Children?
Why Not Just Spread the Shots Out a Bit?
Can the Child's Immune System Handle All Those Vaccines?
Vaccine Adverse Events and Vaccine Side Effects
- 79 CHAPTER 6
Assessing the Risks
Comparing the Risks of "Apples and Oranges"
Dealing with Numbers
Did a Vaccine Cause That?
Cause or Coincidence
Epidemiology
How to Determine Whether a Vaccine Caused That
- 95 CHAPTER 7
Evaluating Information about Vaccines
Out of Sight, Out of Mind
How Does Misinformation about Vaccines Get Spread So Widely and So Quickly?
An Example of Misinformation and Reemerging Infectious Diseases
Identifying Misinformation about Vaccines
Who Are the Misinformers?
Evaluating Information about Immunizations on the Internet

115	PART 2	The Diseases Vaccines Prevent
117	SECTION I	Beginning to Control Infectious Diseases
121	CHAPTER 8	Diphtheria
		The Illnesses That <i>C. diphtheriae</i> Cause
		Diphtheria Antitoxin
		Diphtheria Toxoid Vaccine
		Diphtheria Toxoid Vaccine Side Effects
		Do I Really Still Need to Worry about Diphtheria?
		My Assessment of Risks
135	CHAPTER 9	Tetanus
		The Illnesses that <i>C. tetani</i> Cause
		Tetanus Toxoid Vaccine
		Tetanus Toxoid Vaccine Side Effects
		Do I Really Still Need to Worry about Tetanus?
		My Assessment of Risks
147	CHAPTER 10	Whooping Cough (Pertussis)
		The Illnesses That <i>B. pertussis</i> Cause
		Whooping Cough Vaccines
		Whooping Cough Vaccine Side Effects
		Do I Really Still Need to Worry about Whooping Cough?
		My Assessment of Risks
155	SECTION II	Diseases Prevented by Viral Attenuation
159	CHAPTER 11	Yellow Fever
		The Illnesses That Yellow Fever Virus Causes

Yellow Fever Vaccine
Yellow Fever Live Virus Vaccine Side Effects
Do I Really Still Need to Worry about Yellow Fever?
My Assessment of Risks

167 CHAPTER 12

Poliomyelitis

The Illnesses That Polioviruses Cause
Poliovirus Vaccines
Poliovirus Vaccines Side Effects
Do I Really Still Need to Worry about Poliomyelitis?
My Assessment of Risks

177 CHAPTER 13

Measles

The Illnesses That Measles Virus Causes
Measles Live Virus Vaccine
A Case of Measles in the US Is a Public Health Emergency!
Measles Live Virus Vaccine Side Effects
Do I Really Still Need to Worry about Measles?
My Assessment of Risks

195 CHAPTER 14

Rubella

The Illnesses That Rubella Virus Causes
Rubella Live Virus Vaccine
An Initial Immunization Policy Conundrum
Rubella Live Virus Vaccine Side Effects
Do I Really Still Need to Worry about Rubella?
My Assessment of Risks

207 CHAPTER 15

Mumps

The Illnesses That Mumps Virus Causes
Mumps Live Virus Vaccine
Mumps Live Virus Vaccine Side Effects

		Do I Really Still Need to Worry about Mumps?
		My Assessment of Risks
213	SECTION III	Varicella Zoster Virus: Chickenpox and Shingles
217	CHAPTER 16	Chickenpox (Varicella)
		The Initial Illnesses that VZV Causes (Chickenpox)
		Chickenpox Live Virus Vaccine
		Chickenpox Live Virus Vaccine Side Effects
		Do I Really Still Need to Worry about Chickenpox?
		My Assessment of Risks
229	CHAPTER 17	Shingles (Herpes Zoster)
		The Illnesses That Reactivating VZV Causes (Shingles)
		Shingles Vaccines
		Shingles Subunit Vaccine Side Effects
		Do I Really Still Need to Worry about Shingles?
		My Assessment of Risks
237	SECTION IV	Infectious Diarrhea
		Many Pathogens Cause Infectious Diarrhea
249	CHAPTER 18	Rotavirus Infections
		The Illnesses That Rotaviruses Cause
		Live Attenuated Rotavirus Vaccines
		Live Attenuated Rotavirus Vaccines Side Effects
		Do I Really Still Need to Worry about Rotaviruses?
		My Assessment of Risks
259	SECTION V	Diseases Caused by Polysaccharide Encapsulated Bacteria

- 263 CHAPTER 19
Haemophilus influenzae Type b (Hib)
The Illnesses That Hib Causes
Hib Vaccines
Hib Conjugate Vaccine Side Effects
Do I Really Still Need to Worry about Hib?
My Assessment of Risks
- 277 CHAPTER 20
Streptococcus pneumoniae
The Illnesses That Pneumococci Cause in Young Children
The Illnesses That Pneumococci Cause in Adults
The Pneumococcal Vaccines
Pneumococcal Vaccines Side Effects
Do I Really Still Need to Worry about Pneumococci?
My Assessment of Risks
- 289 CHAPTER 21
Neisseria meningitidis
The Illnesses That Meningococci Cause
Meningococcal Vaccines
Meningococcal Polysaccharide Conjugate Vaccines Side Effects
Do I Really Still Need to Worry about Meningococcemia?
My Assessment of Risks
If You Want to Read More
- 299 SECTION VI
Infectious Hepatitis
Hepatitis A and B Viruses
Hepatitis C Virus
Hepatitis D and E Viruses
The Illnesses That Hepatitis Viruses Cause
- 303 CHAPTER 22
Hepatitis B
The Illnesses That HBV Causes

Hepatitis B (HepB) Vaccines
Recombinant Hepatitis B Vaccine (HepB) Side Effects
Do I Really Still Need to Worry about Hepatitis B?
My Assessment of Risks
If You Want to Read More

315 CHAPTER 23

Hepatitis A

The Illnesses That HAV Causes
Hepatitis A (HepA) Vaccine
Inactivated Hepatitis A Vaccine Side Effects
Do I Really Still Need to Worry about Hepatitis A?
My Assessment of Risks

325 SECTION VII

The Human Papillomaviruses

327 CHAPTER 24

The Genital HPVs

The Illnesses That Genital HPVs Cause
HPV Vaccines
HPV Vaccines Side Effects
Do I Really Still Need to Worry about the Human Papillomaviruses?
My Assessment of Risks
If You Want to Read More

341 SECTION VIII

The Influenza Viruses

345 CHAPTER 25

Influenza A and B Infections

Seasonal and Pandemic Influenza
The Illnesses That Influenza Causes
Influenza Vaccines
Influenza Vaccines Side Effects
Do I Really Still Need to Worry about Influenza?
My Assessment of Risks

361	SECTION IX
	The Coronaviruses
	The Human Coronaviruses
	Emerging Infectious Disease Pathogens
	Animal Coronaviruses as Human Pathogens
367	CHAPTER 26
	Severe Acute Respiratory Syndrome Coronavirus 2 (SARS-CoV-2)
	The Illnesses That SARS-CoV-2 Causes
	SARS-CoV-2 Vaccines
	SARS-CoV-2 Vaccines Side Effects
	SARS-CoV-2 mRNA Vaccines Side Effects
	SARS-CoV-2 Adenovirus Vaccine Side Effects
	Do I Really Still Need to Worry about SARS-CoV-2?
	My Assessment of Risks
385	PART 3
	After Words
387	CHAPTER 27
	Making Vaccine Decisions
	Those Who Are Unimmunized May Not Be Exposed to the Pathogen
	Those Who Become Infected May Not Have a Terrible Outcome
	Vaccines Do Have Side Effects and Some of Them Can Be Serious
	Community Immunity Is Important for Everyone
	Making Vaccine Decisions
393	Glossary of Terms
399	Acknowledgments
