

Rental Agreement for Portable Toilet

1. There is a four-week minimum rental for worksite portable toilets. We bill on a 28-day advance billing cycle following the first initial payment. Our fees are not prorated for early pick up. A service interruption or removal of the toilet will occur for past due accounts until account is brought current.
2. Our standard portable toilet service is performed once per week and included in the 28 service rental price. If once per week is not adequate, you should consider adding an additional unit to the jobsite location. Extra cleaning days are available at an additional cost per cleaning and could exceed the cost of additional unit.
3. Emergency service can result in \$60-200 additional charge based on location and schedule. This is also true for customer owned toilets.
4. No trash should be dumped in toilets – this results in a clogged hose and can interrupt or delay service. If continued issues arise, an additional fee of \$50-100 may arise or removal of unit all together.
5. Please contact us for delivery or removal of the unit and we will schedule it to be picked up on the next available day we are in your area. If removal is needed outside of our normal route schedule, there is an additional charge of \$60.
6. Please advise our office where you would like the unit placed during delivery and leave the location clear for weekly service.
7. Do not block access to the rental unit. If unit is blocked and not available to be serviced, the toilet will not be cleaned until the following scheduled weekly cleaning unless an additional cleaning is ordered at an additional cost.
8. If unit needs to be moved, do not use machinery or heavy equipment to move the unit. Move the unit by hand.
9. Do not damage or impair the unit in any way. Damage beyond regular wear and tear will generate a repair charge based on the cost of the repair. If unit is destroyed there will be a charge for the full cost of the unit.
10. We are available for emergency services outside of our normal business hours M-F 9-5 pm. To schedule an emergency, please text 765-238-0595 and we will do our best to assist you as we are able.
